# FUNCTIONAL

READY TO RACE is a notion that is realized through highly refined function. Uncompromised freedom of movement and superior protection is expected by those who dare to push the limits and in the pursuit of excellence, that can be the telling factor.

# PREMIUM

Riding a superior motorcycle at race-worthy speeds demands the very best in KTM PowerWear products for protection. When it's your intention to race off in search of your limits, no less than premium quality should be considered and why not do it in a style that matches the extreme nature of your actions.
